

Northern Ireland Volleyball - Performance Director (Indoor) - Role Description

Programme

- To help implement a high-performance volleyball programme nationwide that aims to develop athletes to deliver success on the international stage
- To ensure the beach delivery model fits within the Northern Ireland Volleyball pathway, working proactively with the coaches and support staff within the programme
- To set performance standards and behaviours within the programme
- To implement a programme and work with Northern Ireland Volleyball to improve standards and identify gaps in the programme
- To assist in the development of fair, transparent, and effectively communicated policies and procedures for the selection and participation of athletes

Development

- Build a performance development environment that challenges aspiring players individually and as a team to strive for excellence
- Attend training and competition activities of the senior and junior squads where required
- Working with key partners to implement to develop and grow the national programme
- Assist the coaches to design a programme of training incorporating opportunities, for team and athlete development of technical, tactical, physical, and mental skills.

Administration

- To assist in the management of the team managers, national coaches, and support staff to fulfil their roles and maximise the efficiency and success of the programme
- Where appropriate, support athletes in the development of individual performance plans
- To work closely with Northern Ireland Volleyball to plan, monitor and evaluate the programme ensuring that the budget for the programme is managed efficiently
- Report bimonthly to the Northern Ireland Volleyball board on athlete progress, physical & mental wellbeing of athletes and general squad information
- Oversee compilation and supply of relevant performance reporting information when required
